This golf course is an 18 hole golf course located 15 minutes from the central city, near to Christchurch airport. A tight course with large mature trees lining most fairways, and bunkers on most greens. The course has some permanent water hazards. Some holes provide spectacular views of the Southern Alps. Drainage and irrigation are good and the course stays reasonably firm and green throughout the whole year. The course has a pro shop with a large range of reasonably priced golfing equipment and souvenirs. The new club houses a bar and restaurant that is open seven days.

WAITIKIRI GOLF COURSE (Golfing Package)

PAR 71 (Men's) 5795 Metres (White Tees)

This golf course is an 18 hole golf course located 15 minutes northeast from the central city. The course was established late last century and the large two story wooden club house which looks over the course dates from this period. The course undulates over slightly rolling ground with many of the tees and greens on different levels from the fairways. The course has a fine selection of mature trees and bunkers which come into play on most holes. The course has good irrigation and stays green throughout the year. There is a pro shop open seven days, however the bar and restaurant facilities are only open on club days.

This top rated International Course of Terrace Downs High Country Resort is a 18 hole championship golf course, located in the foot hills of the Southern Alps one hour west of Christchurch. The course has been designed around the natural terrain with an abundance of lakes beckoning to those who stray from the fairways. The majority of the holes have elevated tees, several of which offer magnificent views over the Rakaia River Gorge. The 16th hole, a short par 3, is definitely the most spectacular hole on the course. The tee hangs over the Rakaia River Gorge and you look down 200 metres to the aquamarine waters below with Mt Hutt towering above. The clubhouse is of the highest international standard and there is supreme comfort in its luxurious interior. The well equipped pro shop is open seven days.

At the course, a full set of equipment, including high quality golf clubs (graphite), bag, tees, balls and golf shoes (if required will be issued). Also available for use and included in the tour price is a motorised cart.
