

Kia Ora Mr Poh Tan

We are back from New Zealand and had a really great honeymoon there. We would like to extend our thanks for the smooth journey. The airport transfers, hotel transfers, hotel bookings and activities were all smooth sailing.

During our stay in fox glacier, we had the afternoon free on the 2nd day there so we booked the quad bikes activity in Fran's Josef. We absolutely loved this activity and would strongly recommend this activity for your outdoor adventurous clients. The views were magnificent and the guide was very friendly.

That's all. Overall, we are pleased with your services.

And oh, due to inclement weather, we did not do the helihike at fox glacier. Instead, we did the half-day trip. Please refund us the difference.

Thank you.

Regards
Hafiz & Liyanna
