

Kia Ora Mr Po Tan,

We are back from our kiwi trip last week!!! The place was really scenic beautiful and we thoroughly enjoyed ourselves! Like you rsaid we took lots of photos- 2000 of them in fact! All the arrangements by you very perfect and we did not face any problems anywhere! The motel owners were also very friendly and helpful. The only thing we feel we could have done differently was spend one night in lake Te Anau instaed of 2 and add that to Dunedin. That way we could have seen more of Dunedin than we did. Overall it was an excellent trip.

Both my husband and I thank you for your service.

Regards,
