

Hello Mr. Tan,

We returned last Sunday from our NZ trip. I just wanted to say a big Thank You! to you for organizing the trip. It was a memorable experience and we did not face even a single obstacle during our trip. Everything was smooth and well taken care of. We were amazed to see the quality of the hotels and the promptness of our coach pickups at each and every place.

We will definitely be recommending you to all our friends here.

Thanks again!
