

Hi Po Tan

The trip was just fabulous. Sheamalla and I enjoyed and it was well planned and awesome sceneries. The Farm stay was not so good la but apart from that it was good. Very expensive food though. I only managed to do shopping after I stayed with my friend in Auckland in the suburbs. Expensive place but GOd willing will go again.

Thanks so much for your planning . Lake Tapeko was an experience, the snow was so thick that my shoes disintergrated. haha new S\$150 shoes. gone!!!

God Bless.

***Thanks and Warm Regards
