

Thanks. We are back in Singapore and missing New Zealand dearly. Would like to place on record our sincere appreciation for your services. Everything worked like clockwork, all scheduled appointments turned up on the dot. All the cars and hotels and coaches and tours you booked were top class.

It was a very blissful vacation and we will cherish the memories for a long long time to come. The weather was great most of the time and the people were courteous and warm.

Thanks again.

Regards
Shinghal
