

Kia Ora,

We had a very enjoyable time in NZ. Like to thank you for all the arrangement. we managed to try out all the optional items. but i'll not recommend the whale watch, almost vomit, cause you to be very nauseous, although we saw 6 sperm whales. Also especially like the farmstay in Fairlie, highly recommendable.

As for the kirra tour, the coach captain was efficient and knowledgeable.

A thing to note is the weather, still need to wear long and warm clothing and a cap even if it is summer. (the bitter chilling wind)

Thanks and have a merry Christmas and happy New Year.
